

ETIQUETTE OF THE GAME OF GOLF

1. No person shall move, talk or stand close to or directly behind the ball or the hole when a player is addressing the ball or making a stroke.
2. The player who has the honor should be allowed to play before his opponent or fellow competitor tees his ball.
3. No player should play until the players in front are out of range.
4. In the interests of all, players should play without delay.
5. Players searching for a ball should signal the players behind them to pass as soon as it becomes apparent that the ball will not easily be found; they should not search for five minutes before doing so. They should not continue play until the players following them have passed and are out of range.
6. Before leaving a bunker, a player should carefully fill all holes made by him therein.
7. Through the green a player should ensure that any turf cut or displaced by him is replaced at once and pressed down, and that after players have holed out, damage to the putting green made by the ball or the player is carefully repaired.
8. Players should ensure that, when dropping the flagstick, no damage is done to the putting green and that neither they nor their caddies damage the hole by standing close to the hole or in handling the flagstick. The flagstick should be properly replaced in the hole before the players leave the putting green.
9. When the result of a hole has been determined, players should immediately leave the putting area.

2. It is desirable that all events be played in fours. The Official Starter is authorised to use his discretion at all times.
3. Juniors and/or Sub–Juniors are to be accompanied by at least one Full Member or Associate in all competitions. This rule may be varied only in exceptional circumstances at the discretion of the official starter.
4. Penalty for violation of starter's orders is disqualification.
5. All competitions are under the control of the Match and Handicap Committee, who reserve the right to amend the programme as and when, deemed necessary.
6. The Rules of Golf have been amended and brought up to date. These rules, which came into force on 1st January 2000 and Local Rules as printed on back of score card and Local Rules Notice board will govern all competitions.
7. The onus is upon the competitor to:
 - a) Check his score for each hole.
 - b) Settle any doubtful points with the Match Committee.
 - c) Ensure that the marker has signed the card.
 - d) ensure his correct handicap is recorded on the cardAnd
 - e) Countersign the card himself and return card to the Match Committee.
8. In the event of a tie:
 - a) All handicap events will be decided by countback, viz:
 - 1) 18 hole events - the best nett score for the last nine holes. If still tied then as follows until the winner is determined – last six, last three, then hole by hole from 18th.
 - 2) Events greater than 18 holes – the last 18 holes and if still tied then countback as at (1).
 - b) All Championship events will be decided by play off as follows: best total scratch score for holes 1, 2 and 3. If still tied, then hole by hole 1,2 & 3 repeated.
9. Members who play in the qualifying rounds for the Singles and/or Fourball Knockout must nominate by a simple "yes" or "no" at the top of their card whether they wish to participate in the knockout. A "yes" will indicate that the player(s) will be available to play each round by the stipulated date. Non availability to play by the stipulated dates will be considered automatic forfeiture of the Match unless exceptional circumstances are represented in writing before the stipulated date for consideration by the Match Committee.

HANDICAPS

1. Members desiring a handicap must return to the Secretary three (3) cards, checked and signed by the scorer, who shall be a member of a recognised golf club. The player will then be allotted a basic handicap, which has Australia wide acceptance (maximum 27). A handicap up to a maximum of 36 may be allotted; however, this is for use at the home club only.
