Availability and Bookings

Katoomba Golf Club is available for Corporate Events, 7 days a week. Whilst the Club has competitions on Wednesdays and Saturdays, the course and club house are still available to host your event. Shotgun starts may be restricted on competition days.

Shotgun starts enable your group to start and finish at the same time. Players begin at their 'starting hole' and finish at the hole immediately preceding. This enables you to co-ordinate your event to gain the maximum exposure for all your guests. Multiple tees and regular starting procedures are also available.

A deposit of \$500 is required to secure your booking. If your event is cancelled more than 2 months from your booked date, 50% of your refund will be refunded. No refund will be made if the event is cancelled less than 2 months from the booked date.

Corporate Signage

The aim of your corporate golf day is to present a strong brand presence and to generate exposure for your company and clients or sponsors. We can suggest the best placement of banners and signs to provide maximum coverage.

The preferred form of signage is vinyl tie up banners, tear drop signage or pull up banners. All signs should be delivered to the club house at least 3 days prior to your event. Please ensure that they are clearly marked with your company's name and the date of the event. Signage will be erected on the day of the event by our Course Superintendant.

Whilst all care is taken with provided goods, Katoomba Golf Club does not take responsibility for damage or theft.

Food and Beverage

We understand the importance that Food and Beverage provide to ensure the success of your event. We cater for breakfast, lunch and dinner plus offer the option of on-course refreshments. Packages are available or we can tailor make a package to suit your event.

Our Functions Manager is happy to assist you with menu selection and packaging. All food and beverage requirements must be organized at least 2 weeks prior to your event.

Golf Clinics

Our Golf Professional, Lang Doolan, is able to provide a clinic prior to your event. Lang has extensive experience in golf tuition and is able to conduct a session for as many players as you like. If you wish, Lang can also play some of the holes with your guests. For more information, call the Pro Shop on 4782 2205.

Challenge

'Beat the Pro' Challenge - Our Golf Professional would be stationed at the 1st hole and provides a challenge to your guests to get closer to the hole than he can. A prize is offered to any player that manages to do so. If you wish, the group may then decide to take the professional's shot as their own.

Golf Achiever

The Pro Shop has recently installed a state of the art 'Golf Achiever' which provides golfers with a teaching or playing option ... indoors.

The Golf Achiever can be set up for longest drive and nearest the pin competitions and can also provide golfers with the opportunity to play a choice of international golf courses.

Drinks Cart

A 'Drinks Cart' is available to provide your guests with an excellent selection of beverages and hot or cold snacks. The cart drives around the course in the opposite direction to your players to ensure frequent visitation.

Post Game

Finish the day in style with a post match presentation and celebration. 'The Jamison Room' holds up to 120 people seated or more for a cocktail event. Our recently refurbished 'Bunker Bar' is available for smaller groups and provides complete privacy for the benefit of your guests.

All of our facilities including microphone, lecturn and presentation table are included. Audio visual equipment can also be provided.

Transport

If your group is staying in Katoomba (or nearby) we can provide a shuttle service to and from your accommodation. The Club bus carries 11 passengers plus golf clubs.

If you want to include transportation from your home base and back again, we have special rates with the Blue Mountains Bus Company. Buses carry up to 60 people and are available 7 days a week.

Weather Policy

Katoomba Golf Club has the right to declare the course closed if circumstances make it dangerous or unplayable. If your event is deemed unplayable, an alternative date will be offered at your convenience. If your event is cancelled, your prepaid fee will be held over until another date can be arranged.

If your event has commenced and is then cancelled, we will provide your guests use of our 'Golf Achiever' to finish off with a longest drive and nearest the pin competition. In addition, you will be credited with another round of golf for up to the same number of players at a later date. The golf component includes 18 holes of golf and any equipment and cart hire.

Dress Regulations

For the comfort of your guests, we request that all golfers dress in golf friendly apparel. Please advise your guests that flat soled runners or golf shoes (soft spikes only) are required. Shorts with socks are permitted and players must wear a collared shirt.

The following types of clothing are prohibited anywhere on the golf course; football shorts or running shorts, track pants, tee shirts, tank tops, heels, singlets and thongs.
